

International Networking with PWG Professional Women's Group, Zurich

Who we are

PWG is an international career networking platform for women, founded in 1983.

To register for an event, or for more information, please visit www.professionalwomensgroup.com.

You can email us at info@professionalwomensgroup.com

What we do

PWG hosts monthly dinner events in Zurich, inviting inspiring speakers covering a wide range of professional topics.

We facilitate communication between members via access to a secure database and our newsletter "The Networker", published six times a year.

Our mission

We help women create an inspiring, international career support network.

We value the diversity of experience that comes from a wide range of professions and career paths as they evolve over time.

We strive for excellence, openness, and warmth in all our activities.
